HEALTH

Baylor Scott & White Medical Center – Temple

(including Baylor Scott & White McLane Children’s Medical Center)

2401 S. 31st Street, Temple, TX 76508

Taxpayer ID # 74-1166904

For the Fiscal Year Ended June 30, 2022

OUR Mission:

Baylor Scott & White Continuing Care Hospital, an affiliated hospital of Baylor Scott & White Health (BSWH), is committed to fulfilling its mission: “founded as a Christian ministry of healing, Baylor Scott & White Health promotes the well-being of all individuals, families and communities.”

OUR Community:

For the 2022 community health needs assessment, the community served by Baylor Scott & White Medical Center - Temple (which includes Baylor Scott & White McLane Children's Medical Center) and the Baylor Scott & White Continuing Care Hospital is Bell and Coryell County. All these owned hospital facilities are in Bell County and more than 70% of the admitted patients live in these two counties according to the hospital facilities' inpatient admissions over the 12-month period of FY20.

OUR Community Health Needs:

The complete 2022 Community Health Needs Assessment (CHNA) and Implementation Strategy can be found at BSWHealth.com/CommunityNeeds. This assessment is a compilation of public and hospital data and input gleaned from stakeholders representing the broad interests of the community. The following health concerns are identified in priority order based on the results of the CHNA.

Priority	Need	Category of need
1	Obesity/physical inactivity	Conditions/diseases
2	Access to mental healthcare (providers and resources)	Mental health
3	Health literacy	Language/social
4	Access to primary healthcare providers	Access to care
5	Food insecurity/limited access to healthy foods	Environment
6	Access to care: insurance	Access to care

OUR Community Benefit:

FY22 Total \$ 193,445,431

Charity Care

\$ 45,841,785

Unreimbursed expenses associated with providing medical care for the indigent, uninsured, and underinsured through Medicaid and other government, state, or local health care programs.

Government Sponsored Programs

\$ 55,181,382

Unreimbursed expenses associated with providing medical care to the beneficiaries of Medicare and other federal, state or local government health care programs.

Community Health Improvement

\$ 2,916,435

The programs and services that extend beyond patient care activities and include services directed to both individuals and larger populations in the community. These services include such things as educational information about preventive health care and treatment for specific diseases, informational health lectures to help understand various conditions and diseases as well as available treatment options, opportunities that promote healthy activity and wellness initiatives, health fairs and screenings, and support groups.

Health Professions Education

\$ 83,526,262

Baylor Scott & White Health provides opportunities to health professionals for furthering their education and training. This includes clinical education and supervision for clinical rotations for medical students, nursing students, and other health care professions. Opportunities include but are not limited to Baylor Scott & White Health employees.

Subsidized Health Services

\$ 3,830,209

Clinical programs that are provided despite a financial loss because it meets an identified community need and if no longer offered, it would either be unavailable in the area or fall to the responsibility of government or another not-for-profit organization to provide. (Examples include: outpatient/outreach palliative care services, enrollment services, injury prevention/trauma)

Research

\$ 1,684,451

Baylor Scott & White Health engages in medical and clinical research by providing financial support for expenses supporting facilities, equipment and personnel to conduct research that is in line with our mission and vision, in response to community needs, and that will impact the future of health care.

Financial and In-Kind Donations \$ 452,837

Baylor Scott & White Health provides community benefit program grants and support to local non-profit organizations through dedicated community benefit funds as well as donations of staff time, medical supplies or equipment.

Other Community Benefits \$ 12,070

Baylor Scott & White Health provides other services with the goal of improving the overall health of the community including ongoing assessment of community health needs and evaluation of community health programs and services.
